STAT

Thank you for your letter of 15 April enclosing your completed Personal History Statement forms.

We have been awaiting the return of your application forms before taking further action on your desire for employment. I note, however, that the Forms 57 which were given to you along with the Personal History Statement forms were not included with your letter. Since we will need the Forms 57 (application for employment) in connection with making an initial determination as to whether we have an appropriate vacancy, it is requested that these forms also be completed and returned to us.

After we have received all of the required application papers we will contact you again relative to actual employment possibilities, and at that time interviews with appropriate Agency officials will be arranged for you.

The interest evidenced by your desire for employment with this Agency is appreciated.

Sincerely yours,
